Musical theatre Audition prep series 6:15 pm

Preparing for auditions starts before the audition!

In this class you will learn how to audition, helping you to love the process. Each week you will receive a new cold read, a new cut of music and a new dance routine. Some of the cold reads will even focus on On- Camera work! Each class ends with an “audition” which will be recorded and then Uploaded privately to YouTube so that you can view and see the students individual progress. They will also receive a weekly evaluation.

Ages 10- 13 Please send an email to be considered & accepted into this class.
